SEEBURGER B2B/EDI Solution

Corporate B2B solution for managing all Roca Trading Partners

Roca is a Spanish-owned company which has in recent years achieved extra-ordinary international expansion, becoming one of the world's biggest bathroom fixtures firms.

For deploying its overall B2B strategy, Roca has chosen the certified SEEBURGER adapters for SAP PI as they provide all the functionality required for an easy implementation of all its corporate B2B collaboration requirements with its customers and suppliers, based on a tight integration with SAP PI.
